

Zyxel Group hosted Annual Supplier Conference 2024

Aiming to build a collaborative, resilient sustainable supply chain toward net zero

Zyxel Group recently held its annual supplier conferences at its headquarters in Hsinchu, Taiwan, and its Wuxi facility in China, bringing together nearly 200 key supply chain partners. The conference focused on sharing Zyxel's supply chain governance principles, key achievements, product design guidelines, and success stories.

To strengthen collaboration and align efforts with Zyxel's sustainability strategies, Zyxel presented awards to three top-performing suppliers at each event. These award recipients shared their best practices and achievements, inspiring all partners to collectively advance sustainability initiatives and create a more resilient, sustainable supply chain. Zyxel continues its Christmas mission with Love in a Shoebox program

In the 2024 Christmas season, Zyxel teamed up with Zyxel Foundation for the fourth annual "Love in a Shoebox" campaign, spreading festive cheer to underprivileged children in surrounding communities. This activity reflects our core value is to ensure well-being for all.

Our team packed shoeboxes filled with shoes, stationery, and books to support underprivileged kids. Since 2021, we have supported over 600 shoeboxes to improve children's access to essential educational supplies. The heartwarming smiles of the children inspired us to continue taking action for social responsibility.
